WHO WE ARE:

An association of the leading foreign investors in Greece.

FIC was founded in 2024 by a group of industry experts and seasoned professionals with a clear mission: to enhance Greece's position as a premier destination for foreign investment. Our commitment is to foster a transparent, business-friendly environment by supporting investors through reliable information, strategic partnerships, and strong collaboration with public and private stakeholders.

WHAT WE DO:

Public Consultations

Participation in public consultations and insights into the Greek market and specific investment sectors like energy.

Market Research & Data

In-depth analysis, reports, and trends to help you make informed decisions.

Global Partnerdhips

Facilitating partnerships with foreign embassies in Greece to foster interstate investment collaborations.

Network & Events

Access or organization of exclusive events, seminars, and workshops to connect with other investors, stakeholders, & government entities.

Best Practices

We bring international expertise to ensure your investment projects follow global standards for success.

Support on Legal Framework

Contributing to the improvement of the legislative framework and informing the competent authorities about the needs of the investment community.

WE STRIVE TO:

*Share
Knowledge*
